What do we use the data for?

The following Privacy Policy sets out the terms on which we will treat personal data at JAE HUN PARK LEE SL; this includes any personal data collected through our website www.daedo.com, as well as any other data we process in the course of our business activities.

JAE HUN PARK LEE SL collects the following personal data for the purposes set out below:

a) Web contact form: the personal data collected through this form will be used to inform you about the services you have requested.

b) Online purchases: in case you buy any of our products, your personal data will be used for the administrative management related to the purchased product. This involves from the invoicing of the product to the delivery of your data to the transport companies contracted by JAE HUN PARK LEE SL to make deliveries to the place you have indicated. These data will also be included in our database to keep you updated of the news through our newsletter.

c) Creation of a profile: in case you create a profile on our website, the data will be included in our database that we will use to keep you informed about Daedo updates.

d) Social networks: any information you provide us or that you can share through social networks in which Daedo has an active account, will be treated according to the privacy policies of each social network. We recommend that you read and review them periodically before interacting with Daedo through these social networks.

How long do we keep your data?

Personal data will be kept until the interested party requests its deletion.

In any case you can exercise your right of opposition through the channels announced in this Privacy Policy.

Legitimization

Customer data will be processed by JAE HUN PARK LEE SL, as well as those related to employees, for the fulfillment of the contractual relationship.

We will only process your data for promotional purposes if you have given us your specific consent to do so. You will always have the option to revoke your consent to the processing of your data for these purposes.

Transfer of data to third parties

Your personal data will not be disclosed to third parties without your consent, unless JAE HUN PARK LEE SL is obliged by law to do so.

Type of data processed

- Identfication data(name and surname).
- Contact data(email, telephone, address).

In no case we will collect sensitive data.

You have the right to

- Access to personal data.
- Rectify personal data.
- Delete personal data.
- File a complaint or a writ for the protection of your rights before the Spanish Data Protection Agency or before the autonomous data protection agency, in case it exists.
- Be informed of any security incident that may affect your rights.
